Setting Time Limits

Selecting Custom allows you to pause access during different days and times

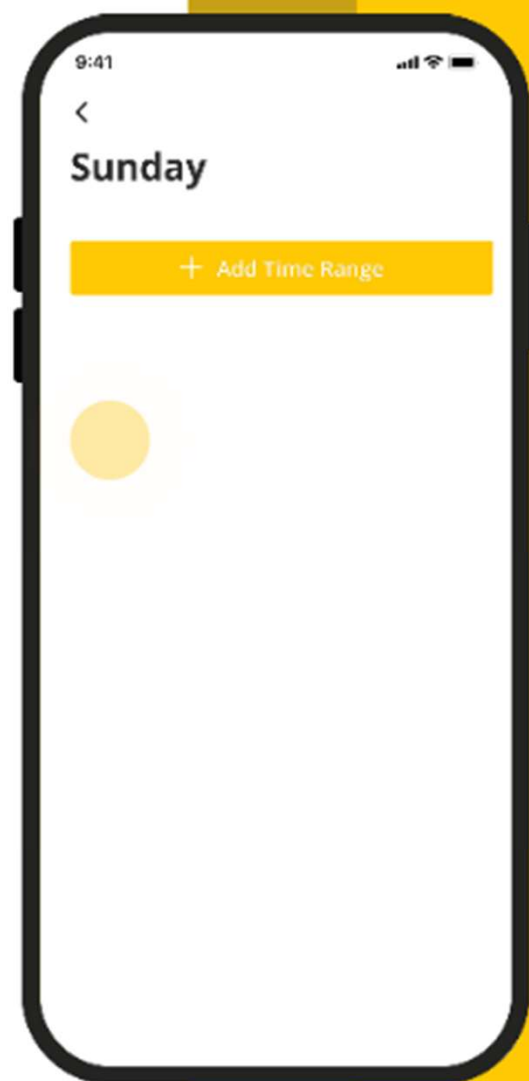

Setting Time Limits

Tap a day

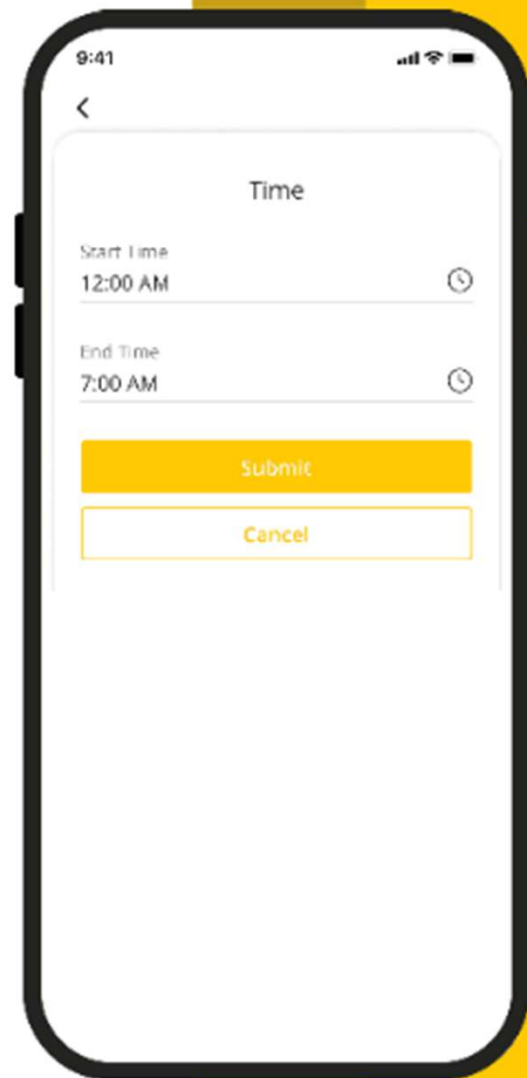

Setting Time Limits

Tap Add time range

Setting Time Limits

Select a start and end time for pausing access

The image shows a smartphone screen with a white background and a black border. At the top, the status bar displays the time 9:41, signal strength, and battery level. Below the status bar is a back arrow icon. The main content area is titled 'Time' and contains two time selection fields. The first field is labeled 'Start Time' and shows '12:00 AM' with a clock icon to its right. The second field is labeled 'End Time' and shows '7:00 AM' with a clock icon to its right. Below these fields are two buttons: a yellow 'Submit' button and a white 'Cancel' button with a yellow border.
